Bridges on Broadway

Located at 599 East Broadway in Eugene OR, Bridges on Broadway is the evolution of the Lane County's Project Turnkey, which had provided temporary housing for people that lost their homes to recent wildfires. Homes for Good Housing Agency and Lane County will convert the former 50-room Red Lion Hotel into a 57-unit Permanent Supportive Housing (PSH) apartment community serving people experiencing chronic homelessness. Homes for Good will provide Project Based Vouchers and Lane County will refer vulnerable people experiencing homelessness from the Coordinated Entry waitlist to Bridges on Broadway. Based on Homes for Good's experience operating the temporary shelter at this facility, the team will continue to operate Bridges on Broadway once it is converted to PSH, providing both property management and supportive services.

The former Hotel was purchased by Lane County with a grant from Oregon Community Foundation. The project was awarded PSH funding from OHCS in Summer 2023, with the anticipated construction start of Spring 2024.
