

LOWER INCOME AFFORDABLE HOUSING IN LANE COUNTY

The apartment complexes listed below may or may not be owned or managed by Homes for Good but offer units that are affordable to low income households.

FOR INFORMATION ABOUT AVAILABLE UNITS, CALL THE APARTMENT MANAGERS DIRECTLY.

Each manager keeps a waiting list for their own apartment building. Managers' phone numbers may change without notice.

Rent and utility costs vary from one apartment to another. Most properties serve families making below 80% of the Area Median Income, with some setting rent based on the applicant's income, while others charge an affordable flat rent. When calling about vacancies, you may want to ask how rent is set for that apartment.
